

Congestion Mitigation and Air Quality Improvement Program (CMAQ)

Funding Opportunity: Diesel Emission Reduction Projects

Through this Strategic Initiative, TDOT provides funding to reduce transportation-related emissions from existing diesel engines. Rebate project awards are available to public and private vehicle fleet and equipment owners for eligible diesel emissions reduction solutions.

 - Airport & Port Equipment

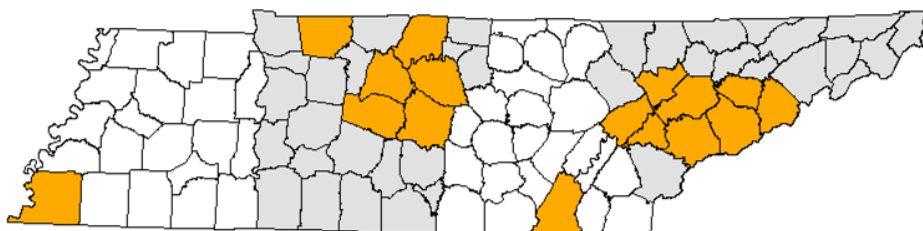

Eligible Project Areas

Region 4

Region 3

Region 2

Region 1

Project Applications

- 2016 Call for Proposals – Opens May 2016 (*tentative*)
- Projects must demonstrate a reduction in mobile source emissions in one or more CMAQ-eligible counties.
- The grant competition is open to both public and private entities (*private companies require a public sponsor*).
- Application materials will be posted to <http://www.tn.gov/tdot/article/cmaq>.
- Contact TDOT.CMAQ@tn.gov for more information.
